

REQUEST FOR STATEMENT OF QUALIFICATIONS FOR GENERAL ENGINEERING SERVICES

Background:

The City of Sanger is interested in receiving statements of qualifications for general engineering services covering the design of subsurface utilities, paving, drainage facilities and other associated items in the design and preparation of plans and contract documents for general engineering projects.

The scope of services may include the design of urban and rural roadways that could involve major reconstruction or capacity improvements additional activities could include design of traffic control plans, storm water pollution prevention plans (SW3P), and signage and striping. Other services which may be required are review of in-house design, right-of-way maps, design and construction surveys and right-of-way acquisition services.

All selected firms will be registered with the Texas Board of Professional Engineers and key personnel will be licensed by the Texas Board of Professional Engineers.

Presentation:

If you are interested in being considered for these proposed projects, please submit five (5) copies of your statement of qualification to include, but not limited to, the following:

1. Proven ability to perform the work and meet deadlines.
2. History of similar projects.
3. The qualifications of the proposed project manager for the project.

The statement of qualifications shall be limited to a maximum of six 8-1/2" x 11" pages (one side only and including cover letter). Questions should be directed to Mr. Robert Woods, P.E. at (940) 458-2571.

Submittal of RFQ: RFQ's must be submitted by 2:00 PM on November 23, 2009. RFQ's must be in a sealed envelope and delivered before the deadline to Mr. Rob Woods. If delivered by US Mail; send to Mr. Rob Woods, City of Sanger, PO Box 1729, Sanger, TX 76266. If delivered by hand or other carrier deliver to: Mr. Rob Woods, City of Sanger, 201 Bolivar, Sanger, TX 76266. All RFQ's must be marked prominently on the outside of the envelope "**GENERAL ENGINEERING SERVICES RFQ Do Not Open**".

Robert Woods, P.E.
City Engineer
