BUILDING THERMAL ENVELOPE LEAKAGE TESTING VERIFICATION

Building Thermal Envelope Leakage Testing (C402.5): ACH50

I certify that I have conducted an air leakage test and it has passed the requirements of the 2015 International Energy Conservation Code. I further state that I am certified to perform air infiltration testing by national or state organizations as approved by the Building Official. I certify I am an independent third-party entity, and have not installed the HVAC system; nor am I employed or have any financial interest in the company that constructs the structure.
