1. Call Meeting to Order.

2. Presentation by Alan Plummer on the Cowling Road Lift Station.

Chris Heckler of Alan Plummer gave a second Power Point presentation regarding the Cowling Road lift station and wastewater pipeline improvement project.

The two options are to place the lift station at the existing location at the cost of \$2,700,000 (force main and lift station with the force main heading due east then north) or at the future regional wastewater treatment plant site at the cost of \$3,450,000 (force main heads due north along Railroad Avenue).

Mayor advised that he and the City Manager met with Chris Heckler and Ross Standifer last week to talk numbers and again discussed options.

Lengthy discussion was held between the Mayor, Council members and the audience.

3. Adjourn.

Mayor Muir adjourned the meeting at 7:30 p.m.
